QUALITY OF STOCK

The stock offered in this list is strictly first-class, and, we believe, absolutely free from all injurious insects or diseases. We aim to keep our Nurseries clean, so that the stock is healthy and vigorous. We invite inspection. Visitors are always welcome. See back cover for location of Nurseries.

SUBSTITUTION

We never substitute one variety for another. In case the size ordered is exhausted, we send the next size thereto and charge accordingly. Should the variety be exhausted, we at once notify the customer.

The Planting Season

Evergreens can be successfully transplanted during August and September. Herbaceous Perennials do best when moved during September and before the middle of October. Trees and Shrubs can be safely planted any time after October 1st, until freezing weather sets in.

Directions for Shipping

Parties ordering are requested to state explicitly the mode of conveyance by which they desire their stock forwarded.

When no route is designated, we exercise our judgment; but in no case do we assume any responsibility after packages are shipped, unless for our own mistakes. When losses occur by detention, claims should at once be made on the TRANSPORTATION COMPANY.

INSPECTOR'S CERTIFICATE ACCOMPANIES EVERY SHIPMENT

CONDITIONS OF SALE

First—The articles on the following list will be furnished at the annexed prices only when the quantity specified shall be taken. Five hundred will be furnished at the thousand rate; fifty at the hundred rate and five at the ten rate.

Second—While we exercise the greatest care to have all Trees, Shrubs and Plants genuine and reliable, and hold ourselves prepared to replace, on proper proof, all that prove untrue, we do not give any warranty, expressed or implied; and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods. No complaints will be considered that are not made within ten days after receipt of stock.

Third—The prices annexed do not include the boxes or bales. A charge for the actual cost of the boxes or the material used in baling is made. No charge for conveyance to freight station.

Our terms are cash, unless by special agreement. We can ship by express C. O. D., when desired, with charges for collection added to the bill—provided 20 per cent of the amount of the order accompanies the same as a guarantee. Said guarantee will be required only from parties with whom we have no business acquaintance. All bills remaining unpaid December 1st in fall, and June 1st in spring, will be subject to sight draft without further notice.

OFFICE OF THE FRAMINGHAM NURSERIES
DECIDUOUS SHADE AND ORNAMENTAL TREES.

IMPORTANT—This list includes only such varieties of stock as we have now in our nurseries, in sizes and quantities offered. In filling orders we shall grade stock according to these specifications. Should orders be received for sizes not found in this list, or should any specified grade be exhausted, we will send the nearest size we have in stock at the time the order is received and charge accordingly; unless otherwise advised.

HARDY EVERGREEN TREES

The Evergreens we list are well developed and heavily rooted; they have been several times transplanted. We have a quantity of large specimens not listed; these can be selected at the nursery when prices will be given. A visit to our nurseries will pay you.

 We always burlap the roots, unless otherwise requested, at an additional expense of five (5) cents per tree for small trees under three (3) feet and ten (10) cents per tree for all sizes above three feet.

THE FRAMINGHAM NURSERIES FRAMINGHAM, MASSACHUSETTS

THE NURSERIES are located in Framingham, 21 miles west of Boston, on the Boston & Albany Division of the New York Central R. R. Trains leave the South Station at frequent intervals during the day. The Nurseries are about two miles north of the South Framingham station, and may be reached by Saxonville electric car, getting off at Cochituate Road and walking a few minutes east. Or by the Boston & Worcester cars from South Framingham, getting off at the rear entrance of the Nursery and walking north, through the Nursery to the office, which is 7 minutes away. Or the Nurseries may be reached by the Boston & Worcester electric cars from Park Square, Boston, from which point cars leave every 15 minutes. Any Chestnut Hill or Brookline Village cars will connect with the Boston and South Framingham or the Boston and Worcester cars, either of which pass the rear entrance to our Nurseries. All conductors are familiar with the stop at the Framingham Nurseries. The running time by trolley to the Nurseries is one hour and ten minutes. The fare is twenty-three cents from Boston.
